PROOF DEFICIENCY LETTER

RE: Permit No. 63-33415

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit.

I am returning the form to you because information provided on the application is not sufficient or incomplete. Please address the following items on the form:

- Item no. 6 of the proof form is blank.
- Item no. 7 of the proof form indicates that a measuring device is installed, however permit condition no. 13 of this permit states:

"...A report with no less than 4 years of diversion measurement and aquifer level water monitoring data shall be submitted in connection with filing proof of beneficial use. Submittal of a proof of beneficial use statement without the required report will not be accepted by the Department and may result in cancellation of the permit."

I recommend that condition No. 13 of this permit be complied with immediately. Enclosed is a copy of this permit for your reference.

Please resubmit the completed form and the additional information required under this permit. I will hold this matter for (15) days from the date of this letter. If the Department does not receive all of the information required under this permit in connection with filing proof of beneficial use, the Department may be forced to cancel your permit.

If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
