Aaron,

Would you mind updating these POU shapes to match the shapefile Greg provided? Once updated, please edit the default "POU Updated" comment in workflow to say the shapefile was updated based on email correspondence received from Greg Sullivan October 2018. Then print off the email chain and ask Rachel N. to scan, profile, and send to fault files of applicable water rights. Let me know if you have any questions.

Thanks,
Angie

Angie and Greg,

I am asking Angie to follow up with updating our records.

Greg, do you happen to have a shape file you could forward us?

Thanks,

Nick.

Nick,

I am informing IDWR that the irrigation POU for the following water rights that allow the irrigation of 911.0 acres within a large PPU will be updated in 2019. The attached map identifies where the 911.0 acres will be located for the 2019 irrigation season.
