Ms. Brown,

I received the additional payment for filing your transfer and wanted to clarify in writing what we discussed over the phone. The water rights currently have 3 points of diversion listed, and we discussed that the transfer would change that to just one point of diversion on the water rights.

If you would reply to this email confirming the one point of diversion, giving us written confirmation, that would be great.

Currently the listed points of diversion are:

Proposed Point of Diversion is:

Township 7S Range 35E Sec 24
24
SESESW
NWSESW
SESESW

Township 7S Range 35E Sec

SESW
