Anna,

Please remove Scott Campbell as Attorney from the following Bogus Basin water rights and add Chris Bromley using the same contact that we have for 65-13382. Then, please print this email, scan and profile it to the four rights below and send it over to the SO to go in the files. Be sure to set the "correspondence" flag to "Yes".

This would affect the following water rights:

65-4015B
65-9409
65-9408
65-4036

Let me know if you have any questions.

Thanks,

Nick.

Subject: Bogus Basin

Nick,

I noticed this morning in the proof report for one of Bogus Basin's domestic water rights, 65-4015B, that Scott Campbell is listed as the attorney of record. As you'll see in 65-4015B, I filed documents in the SRBA to correct the partial decree, with an order from the court correcting the decree. I was surprised to still see Mr. Campbell's name associated with that one, with his updated address, which resulted in me looking at the proof reports for the other domestic rights. Mr. Campbell's name is associated with all of Bogus' domestic water rights. As you know, I've represented Bogus in licensing of 65-13381, -13382, and -13446. Additionally, as you also know, I've represented Bogus in the recent transfer, application and permit in 65-13382 and -23703. Would you be able to reference my firm for all of Bogus' water rights?

Thanks,

Chris M. Bromley
