Department of Water Resources
Eastern Region

James Cefelo,

As requested, I am returning the unavailable dates for a pre hearing conference on protest to transfer No. 82606. At this time the parties assisted by Kirk Jackson (myself) have drawn up a plan for a diversion of water from Spring Creek in Downey, Idaho. With the mediating help of water master, Brad Maddox, the parties, Craig Bloxham, Chad Barnes, and Kirk Jackson are working on a solution beneficial to all water users on Spring Creek. As this point it appears that the pre hearing conference may not be needed. We will proceed with our plan until further notice from you.

Thank you,

Kirk Jackson
