Dear Sirs,

On June 7, 2017, you filed application for transfer no. 81731 to change the place of use and to remove a volume condition from water right nos. 29-8240 and 29-8241. We need additional information before we can continue processing the transfer.

The rights are currently in the names of Keith Jorgensen, Terry Jorgensen, and Jorgensen Brothers. However, the Secretary of State webpage shows that Jorgensen Brothers was administratively dissolved in 2007. In a prior conversation your attorney, TJ Budge, indicated that the ownership of the water rights should be in the name of Jorgensen Farms Ltd Partnership. Please provide us with the proper ownership documentation so that we can move forward with the processing of the transfer.

If we do not receive the requested information within 30 days, we will return your application unprocessed and the water rights will not be changed. If you have any questions regarding this matter, please feel free to contact me at (208)525-7161.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Michael Holliday', with a long horizontal line extending to the right.

Michael Holliday
