Re: Application for Transfer No. 81352 and Application for Permit NO. 21-13254 in the Name of Bunts & Singles, LLC

Dear James,

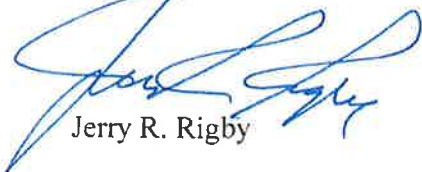

This letter is intended to notify you that on behalf of the Applicant in the above referenced matter, we have negotiated what we believe to be a settlement in principal with the Protestants, James Hagenbarth and the United States Forest Service.

Therefore, after conversations with both of said Protestants, I am requesting that the present discovery schedule and intended hearing dates with accompanying deadlines be placed on hold (with the hearing date actually vacated) in order to grant us time to finalize the specific settlement terms.

I have copied this letter to both of the above named Protestants and have asked them to sign on to this letter if they so concur. As you know, I also represent Fremont Madison Irrigation District and have been authorized by said District to concur in the request.

Should you or either of the parties below have any questions or do not concur in any manner, please do not hesitate to contact me and I will provide any additional terms required.

Sincerely,

Jerry R. Rigby
