Re: Protest for Water Right Permit Application Nos. 36-17132 and 36-17133

Dear Mr. Skinner:

On behalf of Hagerman Wings Farm, I'm writing this letter to protest the applications for permit filed by Donald and Bonnie Pica Trust. Specifically, the permit application nos. are 36-17132 and 36-17133.

The initial reason for the protest is that the applicant has failed to provide sufficient evidence regarding the impacts of the proposed applications on existing water rights, water right permits and groundwater levels in the area. The applicant has not shown the effects of impounding unnamed stream and/or groundwater will have on existing water rights. This protest may include other items not currently identified as additional information is discovered.

Cordially,

G. Erick Powell, P.E.
