NOTICE: STATEMENT OF COMPLETION DUE

RE: Permit No. 98-07925

IMPORTANT: A response from you is required to maintain the active status of the referenced water right permit. If no response is received from you, the permit will lapse and your authorization to develop and/or use this water right will be cancelled.

Dear Permit Holder(s):

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before **December 01, 2018**. Please complete and return the enclosed Statement of Completion for Submitting Proof of Beneficial Use (proof) if you have completed the water project authorized by your permit. The proof statement must be accompanied by either the appropriate license examination fee or a field examination report prepared by a certified water right examiner.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been delayed by a government agency or by litigation that brings title to the water in question, an extension of time may be granted if appropriate documentation is provided at the time of filing. An extension request must be accompanied by a $50.00 filing fee and signed by the appropriate authorized permit holder(s) or authorized representative with a power of attorney.

The Statement of Completion form submitted July 30, 2018 was deficient as noted in the July 31, 2018 letter (copy enclosed). The form was returned because it did not list the permit holder's name (Young Living Farms), instead listing another business entity (Essential Oil Research Farm LLC) as the permit holder. The signature of the permit holder on the form was also not identified by name, title, or legal representative.

Permits are personal property and must be assigned from one owner to another even if both businesses are owned by the same individual. An Assignment form is enclosed to allow an authorized officer or legal representative of Young Living Farms to assign the permit to another business entity if desired, along with a completed proof or extension form by the permit holder or newly assigned permit holder. Please provide documentation identifying the officers or legal representatives of the entity or entities along with a printed name and title for each signature.

Either an acceptable proof or an acceptable extension request must be received by this department on or before the above proof due date. If neither is received, the department will send you a lapse notice and the permit will no longer be of any force or effect.
