James,

My clients Pancheri, Inc lease a farm from Borah Peak Farms LLC. I believe that Rod Pancheri has talked with you this year about making changes to their irrigated acres. The water rights appurtenant to the property are: 33-17A, 33-18A, 33-19A, 33-20A, 33-21A, 33-22A, 33-31D, 33-31H, 33-90D, 33-91D, 33-2103, 33-2107, 33-7183, 33-10073, 33-10074, 33-10984 and 33-10985. These rights are combined in a permissible place of use of 1,754 acres with an irrigated acre limit of 1,473. Pancheri's are reconfiguring irrigated acres beginning the 2018 irrigation season. Attached is a map of the new configuration. I have also attached a copy of the shapefile.

Please let me know if there are any concerns or questions regarding this change.

Thank you,

--
