Re: Change of Ownership/Split of Water Rights 37-21811, 37-21813, 37-21815 and 37-21817

Dear Water Right Holder(s):

The Department acknowledges receipt of correspondence splitting ownership of the above referenced water rights. These water rights have been split as follows:

<u>Water Right</u>	<u>EMB Hailey LP</u>	<u>Northridge V Subdivivison Owners Assn</u>
37-21811	37-21811	37-22970
37-21813	37-21813	37-22971
37-21815	37-21815	37-22972
37-21817	37-21817	37-22973

The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.
