Re: Change in Ownership for Water Right No(s): 65-8624

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4942.

re: Change in Ownership Water Right No 65-8624

Sept 20 2018

Dear Ms. Hersley,

Thank you for the phone conversation 9/14/18 re the above

Per your direction I went to Idaho Vital Statistics to get death cert. for Neal Boydston to show that his spouse was Pearl Boydston who deeded the property to John & Virginia Boydston who deeded the property to me in 1995. But State of Idaho only lets you get death cert if you are a relative or "provide documentation showing it is needed for property right" (see attached)

Id you sent me a letter saying I needed it for property right I could get it or I have located significant public indications that Pearl was in fact Neal's spouse (see enclosed). Could you accept this evidence and proceed to change name on water right? If not could you send me a letter saying why I need the death cert. which I could then give to Vital Statistics.

Thank-you for your help.

John William Boydston passed away Jan. 11, 2008, ending a long period of declining health. As a long time McCall, Idaho, resident, Johnny, as he was affectionately known to many, was born the first child to Pearl and Neal Boydston in Kent, Wash., Nov. 9, 1919. While his education continued throughout his life, his early formal training was via the public school system in McCall, where he attended the Lardo School. He graduated from Ballard High School in Seattle, Wash., and attended Links School of Business in Boise for two years. As an employee at Mountain Home Air Force Base, John served as an airplane mechanic during World War II. At the conclusion of the conflict, he worked from Landmark, Idaho, where he maintained the road between Stibnite and Warm Lake, allowing the ore trucks to operate year-round. In 1950 he returned to McCall, building a Mobil service station across from the former Shore Lodge, operating it for a number of years. For the next six years John worked in various road construction jobs in the summer, returning to McCall in the winter to manage the Little Ski Hill. When Brundage Mountain Ski Area was being constructed in 1961, John was Manager of Mountain Operations, installing and maintaining the lifts, snow cats and other equipment, as well as managing the other staff. He served in this role for 27 years until his retirement in 1988. The relationship with his family is an important theme in his life. John and his wife of 64 years, the former Virginia Cooper of Emmett, Idaho, were married Oct. 8, 1943, in Fruitland, Idaho. Their

See page 3

son Barry and daughter Patricia (Hovdey) were their delight. The introduction of Patty's children, Eric and Anna, into the family brought all the privileges of grandparenthood. Throughout his life he has taken great interest and pride in the life and accomplishments of family members. John exhibited an interest in travel, including two trips to Alaska, others to New England, Nova Scotia, and throughout the western United States. The small motor home provided many hours of satisfaction and meaning. Perhaps the largest travel event of his life was attending the 1972 Olympics in Sapporo, Japan. Another major lifelong interest was "fixing things" -- be it a ski lift, coffeepot, or automobile. Being an accomplished welder and woodcrafter as well as problem solver extraordinaire, he was continuously improving on the products in his life. The Masonic affiliation was prominent all of his adult life, and includes: Payette Lakes Lodge #91 and Ionic Lodge #82, 50-year member and past master; Red Cross of the Constantine; Royal Arch Mason, 50-year member; Valeria Chapter #76 Order of the Eastern Star; and Shrine. John was a lifelong member of the Congregational Church, serving in a variety of offices and committees over the years. John is survived by his wife Virginia of McCall, son Barry (Patty) of Boise, daughter Patty (Dean) Hovdey, grandchildren Eric and Anna Hovdey, all of McCall, and brother Robert (Marvel) Boydstun of Boise. John was preceded in death by his youngest brother Jimmy. On behalf of John, the family wishes to thank Dr. David Burica for the outstanding health care and exceptional judgment rendered during his illness. Memorials may be sent to his two favorite local charities: Little Ski Hill, P.O. Box 442, McCall, ID 83638; Boydstun Hovdey Ski Heritage Scholarship, P.O. Box 38, McCall, ID 83638. Funeral services are planned for 11 a.m., Saturday, Jan. 19, 2008, at the Community Congregational Church, 901 First Street, McCall, Idaho, officiated by Reverend Charlottie Havlicak. A reception at the church will follow interment at McCall Cemetery. Services are under the direction of the Heikkila Funeral Chapel, McCall. Published in the Idaho Statesman on 1/16/2008.

RE: Change in Ownership Water Right No(s): 65-8624

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

X

Additional evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The Department will need a copy of the deed that conveyed the property to Neal Boydston and his wife. (Name on quitclaim deed date February, 1992 is not legible). And how did the property get into Mr. Boydston's wife's name? This information is needed since Mr. Boydston's wife is not listed as an owner of the water right.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
