RE: Change of Ownership for Water Right Nos. 36-2510, 36-2907, 36-7672, 36-8387,  
37-2761B, 37-8326

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights. The department has modified its records to reflect the change in ownership except on water rights 36-2510 and 36-8387 and has enclosed computer-generated reports for your records.

Neither the place of use nor the water right number for water rights 36-2510 and 36-8387 was listed on the quitclaim deed attached to the Notice of Change in Water Right Ownership form, consequently ownership of those two water rights was not updated. If you have additional documentation that conveys the place of use or water right to Southfield Properties LLC, please submit them by March 15, 2013. Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
