RE: Returned mail

Dear Permit Holder:

On April 29, 2014, the Department of Water Resources mailed out the enclosed notice to all permit holders or applicants for permit within the Boise Front Low Temperature Geothermal Resource Ground Water Management Area. Your notice was returned by the post office with a notation that the forwarding order was expired and a different company name was listed.

The Idaho Secretary of State website indicates that Parkland Company, Inc. was dissolved as of January 1, 2014. I am enclosing an Assignment of Permit for your convenience. If the ownership of the permit did not change, then you only need to send in the Change in Address form which is also enclosed.

Feel free to call me at 287-4952 if you have any questions.

Sincerely,

Emalee Rushing
