MEMORANDUM

TO: Water Right Permit File 57-11908

FROM: Daniel A. Nelson

DATE: September 4, 2018

SUBJECT: In-House Exam

Proof of beneficial use was received for this permit in 2018. The permit was approved in 2017. The only aerial photography available at the time proof of beneficial use was filed was the 2017 aerial photography. Therefore, we could not do an in-house field exam at this time. This permit will either need a drive by field examination to confirm irrigation occurred or wait until proof of irrigation can be seen in aerial photography.
