Subject: Two Water Right Applications For Permit

Ted:

Your Water Right Applications for Permit have been forwarded to me for action by the Idaho Department of Water Resources (IDWR) State Office. I'm located at the Northern Region office in Coeur d'Alene. The Northern Region IDWR office has responsibility for the Clearwater drainage North to Canada.

I see that we received two similar, partially completed, Applications for Permit and payment for one Application (\$100). Your Ownership Change has already been processed. Please give me a call at (208) 762.2816 concerning what you want to accomplish.

Got to get to a Grangeville Lions meeting sometime.

Thanks,

Shaun Maxey
