The Transfer of Water Right(s) is a PRELIMINARY ORDER issued by the Department pursuant to section 67-5243, Idaho Code. ## **EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER**

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

### **PETITION FOR RECONSIDERATION**

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

### **EXCEPTIONS AND BRIEFS**

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

### **REQUEST FOR HEARING**

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

### **ORAL ARGUMENT**

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

## **CERTIFICATE OF SERVICE**

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

## **FINAL ORDER**

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

## **APPEAL OF FINAL ORDER TO DISTRICT COURT**

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

## MEMORANDUM

**Date:** December 21, 2017  
**To:** Transfer 81435 File  
**From:** Benny Walker  
**Re:** Evaluation of Sufficiency of Information Submitted

---

Application proposes transferring a 0.43 cfs portion of a groundwater right and six Big Wood River rights totaling 0.39 cfs that are used to irrigate 21.5 acres on a farm located approximately 5.6 – 6.7 miles south and 1.5 – 2.6 miles east of Bellevue to a farm located approximately 4.4 – 4.7 miles south and 1.5 – 1.8 miles east of Bellevue. The transferred ground water portion (0.43 cfs) will be diverted from an existing well located adjacent to the proposed new place of use. The Big Wood River rights 0.39 cfs will continue to be diverted via the District 45 canal diversion. The points of diversion and place of use involved with the application are located within Water District 37 so water master comments were solicited and consent of approval of this application was received from the water master.

- **Authority to File:**  
Applicant submitted deeds showing their Ownership for the portion of the water rights being transferred. Signatory for the application is listed with the Secretary of State for Belle Ranch, LLC.
- **Water Right Validity:**  
The rights involved in this transfer were decreed in 2010. Review of recent aerial photography indicates that these water rights appear to have been used in recent years. Therefore forfeiture does not appear to be an issue.
- **Injury to Other Water Rights:**  
None anticipated. The Big Wood River rights will continue to be diverted via the District 45 canal and the ground water right will be diverted from a neighboring existing well.
- **Enlargement of Use:**  
None anticipated. The allowable irrigated acres of the rights involved in the transfer were reduced by the number of acres being transferred.
- **Local Public Interest:**  
No negative impacts anticipated. Application was subject to public notice and protest. No protests were received.
- **Beneficial Use/Conservation of Water Resources:**  
Proposed uses are recognized as beneficial uses of water
- **Effect on Economy of the Local Area:**  
None anticipated.
- **Effect of the Agricultural Base of the Local Area:**  
None anticipated.

**Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.**
