RE: Notice of Ownership Change in Water Right No. 65-9119, 65-4674, 65-21474

Dear Applicant,

The purpose of this letter is to request clarification regarding the above referenced application.

The deed that you provided does not cover the entire place of use (POU) for water right **65-21474**. Based on the information provided to the Department, the right may need to be split. If you do own the entirety of the water right, please submit a deed conveying ownership of the land not included within the deed that was provided to the Department with your application. A proof report for the water right along with a map is included to illustrate where the portion of the POU lies outside of the property conveyed on your provided deed (outlined in red).

If you do not own the entirety of the water right, please submit \$75. The filing fee for a Notice of Change in Water Right Ownership is \$25 per undivided water right or a fee of **\$100 per split water right**. The \$25 already submitted to the Department will be applied towards the balance.

If you have any questions concerning the enclosed information, please feel free to contact this office at 208-334-2190.

Re: Change in Ownership for Water Right No(s): 65-9119, 65-4674, 65-21474

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 334-2190.

Sincerely,
