RE: Notice of Ownership Change and Partial Abandonment – Water Right No. 61-7314

Dear Mr. Freeman,

The Department acknowledges the receipt of a Notice of Change in Ownership documenting your ownership of water right 61-7314. The Department also acknowledges receipt of a Notice of Abandonment for a portion of 61-7314. The Department has modified its records to reflect the change in ownership as well as the partial abandonment. A copy of the abandonment form and a computer-generated report of the water right after these changes is enclosed for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact this office at 208-334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Anna Kaiser".
