Re: Change in Ownership for Water Right No(s): 37-11654A, 37-11657A, 37-11659A and 37-11661A

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Trish Fawcett

Subject: Notice of Change in Water Right Ownership Coyote Bluff Homeowners Assn Inc

Good morning Heather,

I have reviewed the Notice of Change in Water Right Ownership you recently submitted on behalf of Coyote Bluff Homeowners Association Inc. After reviewing with our state office staff, it has been determined that the documentation submitted with the notice is not sufficient to update ownership from Rodney Kegley to Coyote Bluff Homeowners Association Inc. Although the Coyote Too Subdivision plat map shows it was Mr. Kegley's intent to put the surface water rights into the HOA, he should have executed a deed that actually conveyed the water rights to the HOA. Since he did not execute a deed, portions of the water rights were actually conveyed as an appurtenance to each of the lot owners when they purchased their respective lots.

At this point the only way to get the water rights into the HOA is to have each lot owner quitclaim their portion of the water rights to the HOA.

I can either hold the owner change until you submit the quitclaim deeds from the lot owners to the HOA, or I can return everything to you and request a refund of the fees submitted by your firm. You may then refile the notice at a later date.

Please advise how you wish for me to proceed and feel free to call with any questions. Thank you!

Re: Notice of Change of Water Right Ownership
Our File No. 11891-001

Dear Trish:

We are counsel to Coyote Bluff Homeowners' Association, Inc. (the "HOA"). The purpose of this letter is to change ownership of water rights nos. 37-11654A, 37-11661A, 37-11657A, 37-11659A (the "Water Rights") into the HOA's name. The Water Rights are currently listed in Rodney Kegley's name, the developer of the Coyote Too Subdivision, which is where the HOA's property is located. According to the Notes on the plat map for the Coyote Too Subdivision, which was recorded as Instrument No. 538532 in the records of Blaine County, Idaho ("Plat Map"), there are specific conditions on the Water Rights. Specifically, Note 22 on the Plat Map states that the Water Rights:

SHALL REMAIN ATTACHED TO THE COYOTE TOO SUBDIVISION
PROPERTY IN PERPETUITY AND SHALL NOT BE SOLD OR
OTHERWISE TRANSFERRED TO ANY OTHER PLACE OF USE
WITHOUT THE PRIOR WRITTEN CONSENT OF BLAINE COUNTY.

Attached hereto as Exhibit A is a copy of the Plat Map. Additionally, Note 8 on the Plat Map states:

SURFACE WATER RIGHTS SHALL BE OWNED BY THE
HOMEOWNERS ASSOCIATION FOR USE BY EACH LOT OWNER.

- *Exhibit C*: Deeds evidencing the chain of title from Rodney Kegley to the current owner for Lots 2, 3 and 6, Block 1 of Coyote Too Subdivision;
- *Exhibit D*: Deeds evidencing the chain of title from Rodney Kegley to the current owner for Lot 4, Block 1 of Coyote Too Subdivision;
- *Exhibit E*: Deeds evidencing the chain of title from Rodney Kegley to the current owner for Lot 5, Block 1 of Coyote Too Subdivision;
- *Exhibit F*: Deeds evidencing the chain of title from Rodney Kegley to the current owner for Lot 7, Block 1 of Coyote Too Subdivision;
- *Exhibit G*: Deeds evidencing the chain of title from Rodney Kegley to the current owner for Lot 1, Block 2 of Coyote Too Subdivision; and
- *Exhibit H*: Maps of the place of use for each of the Water Rights.

Also enclosed herewith is our firm's check in the amount of \$100.00 for the change in ownership for each of the Water Rights. Based on the foregoing and the enclosed documents, please transfer the ownership of the Water Rights from Rodney Kegley to the HOA. Once completed, please send me as well as the new owner confirmation of the ownership changes. Thank you for your assistance in this matter and please do not hesitate to contact me should you have any questions or need additional information.
