**IN THE MATTER OF)
APPLICATION FOR TRANSFER)
NO. 82068 IN THE NAME OF)
IDAHO WATER COMPANY, LLC)**

ORDER ACCEPTING SETTLEMENT

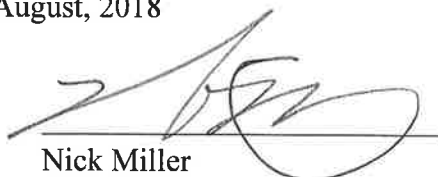

On August 30, 2018, the Idaho Department of Water Resources ("Department") received a *Settlement Agreement* ("Settlement") executed by applicant Idaho Water Company, LLC ("IWC"), protestant United States Department of Interior, Bureau of Land Management ("BLM"), and intervenor DeRuyter Properties, L.P. ("DeRuyter"). IWC, BLM, and DeRuyter (collectively, "the Parties") through the Settlement, agree to a course of action to resolve the contested case. The presiding officer must review the Settlement pursuant to Rule 612 of the Department's Rules of Procedure (IDAPA 37.01.01.612).

The Department has completed its review of the Application for Transfer 82068 and the Settlement. The Department is prepared to issue an approval of Transfer 82068 as contemplated by the Settlement, provided it receives and can process a notice of change in ownership of the portion of the water right proposed for transfer.

ORDER

IT IS HEREBY ORDERED that the Department accepts the Settlement and intends to issue a transfer approval as contemplated by the Settlement, provided it receives, within 30-days of the date of this Order, a notice of change in water right ownership as contemplated by the Settlement. The notice of change in water right ownership demonstrating conveyance to DeRuyter must be accompanied by the appropriate fee and documentation reflecting a division in ownership of water right 2-10017, consistent with the Settlement and Application for Transfer 82068.
