Subject: D.C. Farms Limited Liability Company: Transfer of Water Right No. 35-14408.

Rabo Agrifinance, Inc. is the mortgagee for certain property owned by D.C. Farms Limited Liability Company, an Idaho limited liability company (hereinafter "D.C. Farms").

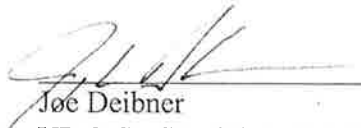

On February 26, 2014, Rabo Agrifinance, Inc. filed with the Idaho Department of Water Resources ("IDWR" or "Department") a *Notice of Security Interest in a Water Right* for several of D.C. Farms' water rights, including Water Right No. 35-14408 involved in this transfer. A copy of the mortgage was included with the *Notice of Security Interest in a Water Right*. The mortgage was recorded as Instrument No. 656196 in the records of Bingham County, Idaho.

My understanding is that D.C. Farms intends to transfer 3 acres of Water Right No. 35-14408 by moving a portion of the place of use to the intended location, and transfer an additional 4 acres of Water Right 35-14408 by moving it to another intended location, for a total of 7 acres.

This letter will serve to convey our consent to the transfer to amend Water Right No. 35-14408 of up to 7 acres. This consent **does not** release the security interest of Rabo Agrifinance, Inc. to the land described in the mortgage or the portion of Water Right No. 35-14408 up to 7 acres that is at issue in the transfer. Rather, this document merely evidences our consent to the amendment of Water Right No. 35-14408.
