Not sure we will have any in the immediate future, but if we do it would likely be horses (maybe cows). No more than 6 adult of either or no more than 6 adult in combination.

Hi Rachel -

I have recieved your email and just got your voicemail. I had totally spaced that parcel. Yes - it should be included. Currently there is a shop, but no water to the shop. Just some sprinklers. How should I go about with the revisions?

Thank You!
