Corey,

You and I just had a phone conversation where you indicated you had not received prior correspondence that I referenced in my 6/28/18 letter to you and J. Dee May. I am attaching a copy of that prior letter dated April 24, 2018. I apologize for failing to provide you a copy earlier. Let me know if you have any trouble opening it. Thank you.

**Re: Lindermans' Application for a .02 C.F.S. Domestic Permit and
Hamiltons' Access to Their Diversion**

Dear J. Dee:

I spoke with Corey Skinner at IDWR who informed me that the application Mr. Linderman filed last summer, the one the Hamiltons protested, is still pending and has not been withdrawn. Please let me know if Mr. Linderman intends to withdraw the application.

If he intends on pursuing the application, please provide us with the information showing the basis upon which the application is being pursued. We can then arrange for a prehearing conference with IDWR. Also, please let me know if the Lindermans intend to pursue some other basis upon which to allow the use of water for irrigation. I understand that Lindermans have placed a pump in the ditch and can only presume that they intend to use it.

I look forward to receiving your response from you at your earliest
