Dear Mr. Marchant,

The Department recently sent letters to the parties involved in the above referenced matter; in attempts to schedule a Pre-hearing Conference. However after reviewing the file, it was noted that your Notice of Appearance was filed after this letter was sent out. It is unclear as to whether or not your client, Double Eagle Properties, forwarded the July 26, 2018 letter to you; therefore I am attaching it to this e-mail.

The Department is planning to schedule this conference in September or October, depending on availability of the parties. Please review the attached information and indicate when you are available for this conference. You may also reply to this e-mail with your available dates. If we do not hear back by August 30th, we will move forward with scheduling.

Thank you in advance for your attention to this matter.

Sincerely,

Denise Maline
