RE: Change in Ownership of Water Right No. 63-15637

Dear Mr. Beus:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above listed water right. Our review of your notice indicates that additional information is required before we can process the change.

The Department needs evidence of water right ownership in the form of a deed, title policy, contract of sale, or other legal document indicating your ownership of the property and/or water rights in question. I am returning the Real Estate Purchase and Sale Agreement, Mortgage, and Assignment of Rents.

Please provide a copy of the conveyance document(s) which cover the entire place of use (POU). I've enclosed a copy of the water right report which lists the POU for your convenience. If your conveyance document(s) do not cover the entire POU a division of the water right will be required and an additional \$75 fee would be due.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Administrative Assistant
