Re: WR 63-33876 - City of Eagle Service Area Map for WR 63-11413, 63-12017, 63-12448, 63-32089, 63-32090, 63-32573, and 63-33878

Dcar Mr. Miller:

In the Order Granting Petition for Reconsideration, dated December 7, 2017, more specifically, the Conclusions of Law # 3, the Department found that the attached map was inaccurate and after follow-up correspondence between the City of Eagle, Suez, and the Department, you provided an email dated December 19, 2017 discussing how the City may file a map for "illustrative purposes" to correctly indicate where the City is providing or plans to provide municipal water delivery services.

The City of Eagle is hereby providing electronic files depicting the geographical area the City of Eagle approved in the 2015 City Water Master Plan Update with minor corrections/changes due to subsequent circumstances. In the event this area changes, we will refile a newly amended map with the Department.

Thank you for your cooperation in this matter. Please do not hesitate to call with any questions or concerns.

Sincerely,
MSBT Law, Chtd.
