RE: Change in Ownership Water Right No. 34-227J, 34-830A and 34-4035A

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** In order for the department to complete your application a copy of the 'recorded' Warranty Deed or other legal evidence of ownership is required. The filing fee for an ownership change is \$25.00 per water right for an application not resulting in a division of a water right or \$100.00 per water right if a split is required. You originally submitted only \$25.00 for the ownership change for 3 water rights, assuming a split is not required (I don't have the legal description to verify) an additional \$50.00 is required. On June 13, 2018 the department called the number listed on the application to request the required information but as of today has not received the required information. Please supply a copy of the deed for the property or water rights indicating your ownership in the water rights listed above and the additional filing fee of \$50.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
