MEMORANDUM

Date: 7/23/18
To: Water Right File 63-33517 and 63-34570
From: Rachel Sommer
Re: Ownership Change Processed Prior to Transfer No. 82348

On April 30, 2018 Application for Transfer 82348 was submitted to IDWR. The transfer included an ownership change request for Water Right 63-33517; a separate Notice of Ownership Change form was not received nor required. The processing fee for the change was received on June 27, 2018. The ownership change was processed prior to the transfer resulting in a split of the original water right and creating a new water right, 63-34570, to represent the new owner's portion. Conveyance documents can be found in Transfer 82348.

Transfer No. 82348 will now affect Water Right 63-34570 and it is not necessary for the transfer application to be amended.

Original Water Right No.	Ownership
63-33517	Carlos L Post
New Water Right No.	Ownership
63-34570	Ryan L Stoldt, Karrie L Stoldt, and Kenneth Alan Bailey

Subject: 82348 Transfer Application

Good Morning Karrie,

The purpose of this email is to request an additional payment from you.

SPF Water Engineering submitted \$100 to accompany your permit application and \$200 to accompany your transfer application. The transfer application requests an ownership change split of right 63-33517 which requires a \$100 processing fee. Please submit a payment of \$100 as soon as possible so that processing can continue.

Also, please let me know if SPF Water Engineering is still representing you.

Sincerely,

Rachel Sommer | Water Resource Agent, Senior
Idaho Dept. of Water Resources | Western Regional Office
