RE: Water Right Permit No. 65-22349

Dear Permit Holder(s):

The Department of Water Resources sent you an Application for Amendment form on June 19, 2018, for the above referenced Permit. As of this date the Department has not received a response. The amendment is required because one or more elements of your water use differs from the permit. As shown on the form, the points of diversion include two wells in the NESW quarter-quarter of Section 17 and one in the SENW, Section 17.

If you concur with the information presented, please sign and return the form(s) with the \$100.00 filing fee within 14 days. If the amendment is not received within fourteen (14) days, your Water Right License will be issued for less than could have been allowed. In case the amendment form previously sent has been misplaced, a new one is enclosed.

If you have any questions, please contact me as soon as possible at (208) 287-4912.

Sincerely,

Rachael Smith
Water Resource Agent, Sr.
