13	Narrative: The Department received this application on June 22, 2018. The applicant, Patrick Thacker, who is the current water right owner, wishes to place the entire right in the Bank for the 2018-2022 seasons. Mr. Thacker acquired this water right in 2010 WITHOUT land. It was immediately placed in the Bank and hasn't been used since. There appears to be at least 1 acre in the paper POU that hasn't been irrigated since 2010. This is a ground water right so it is not currently within a water district.
