RE: REQUEST FOR EXTENSION OF TIME TO COMPLETE TRANSFER OF WATER RIGHT 63-33807

Dear Mr. and Mrs. Shafer:

On July 18, 2018 the Idaho Department of Water Resources (Department) received your request for extension of time to complete transfer for water right no. 63-33807. Upon review of the file it was discovered that this is a permit and not a transferred water right. The form that you submitted is not the correct form and is being returned.

The correct form for the action you are seeking is the request for **Extension of Time for Proof of Beneficial Use**. I have enclosed a copy of this form for your convenience. Please note that there is a \$50.00 fee required with this request.

Idaho Code § 42-204 allows the department to grant one extension of time not exceeding five years beyond the date originally set for completion of works.

If you have questions regarding this matter, please contact me at 287-4910.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Clay Webster'.
