RE: License No. 51-7309

Dear Water Right Holder(s):

Today the Department of Water Resources (IDWR) mailed out a cover letter with a revised water right license under the water right no. referenced above. It was later discovered that the cover letter included a date that was incorrect. The correct sentence for that letter should've read as follows:

The revised water right license supersedes the license issued on **April 25, 2018**.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block
