Notice of Abandonment of Water Right

Print Name of Water Right Owner(s): Buck and Sindi Hukill

Mailing Address: 14349 Deer Flat Rd, Nampa, Idaho 83686

Phone: 208-284-7251

Note: If you are not listed as the current owner of the water right in the Idaho Department of Water Resources' records, you must include evidence of ownership of the water right (or portion of the water right) with this form. Evidence may include a warranty deed, quitclaim deed, court decree, contract of sale, etc.

I am the current owner of all, or X part of, the water right described in the Idaho Department of Water Resources' records as Water Right No. 63-33164 & 63-32076.

I hereby abandon all, or X part of the water right designated above. This abandonment is intentional and voluntary. I recognize that this abandonment permanently eliminates the right to divert and use water under the water right designated above.

If this abandonment applies to a portion of the water right, please indicate which part is abandoned by describing the diversion rate, annual diversion volume or storage volume, and place of use (include acres if the use is irrigation) and by attaching a detailed map identifying the specific locations.

Both water rights are being split through an associated ownership change. The split portions should not describe the well in the SWSE as a point of diversion. Only the well in the NESE will be used.
