Re: Change of Ownership for Water Right Nos: 67-439, 67-10592, and 67-14807

Dear Water Right Holders:

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records. Water rights 67-433A and 67-10800 were not updated as the place of use is not appurtenant to your property. These water rights are located at Township 14N, Range 01W, Section 2, **SWSE**. The deed you provided shows the property located at Township 14N, Range 01E, Section 2 **SWSW**. A refund has been requested and will be issued under separate cover.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4920.
