Application For Permit No. 96-9708

Dear Applicant:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 7/19/2018 and 7/26/2018. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

MEMORANDUM

To: Water Right Application for Paul Switzer

From: Adam Frederick AF

Date: 7/5/2018

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An incomplete application was received on June 27, 2018 because line 9 was not filled out and there was no map. I then emailed the applicant a map and corrected application. Mr. Switzer then sent in the application and both maps on July 2, 2018 but did not sign the application. Mr. Switzer then printed off the signature page and signed it and we received it on July 5, 2018. The application will receive a priority date of July 5, 2018.
