

MEMORANDUM

TO: Water Rights File 61-7664
FROM: Sandra Thiel
DATE: July 2, 2018
SUBJECT: Petition for Reconsideration Water Right Permit 61-7664

On September 6, 1991, the Department issued Permit No. 61-7664 to Stanley and Mildred Norstebon authorizing a stockwater place of use within Lot 6 (NW¼SW¼) Section 6, Township 02 South, Range 06 East, B.M., Elmore County. On June 5, 2018, the Department issued license 61-7664. The license included the additional quarter quarter NE¼NE¼, Section 7, T2S, R6E as part of the stockwater place of use. This quarter quarter was as not authorized on the permit.

On June 21, 2018, the Bureau of Land Management filed a Petition for Reconsideration with the Department in connection with the License. The petition states that the permit did not authorize the NE¼NE¼, and the means of conveyance between the point of diversion and the place of use crosses federal land without legal access. The license should exclude the NE¼NE¼, Section 7, T2S, R6E.
