RE: Change in Ownership Water Right No. 34-13957 & 34-13959

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee:** According to the evidence of ownership filed with your application, this ownership change will require a division of the water right. Please find attached a map of the place of use of the water rights listed above and the property purchased according to the evidence of ownership filed with the department. The filing fee for a split ownership change is \$100.00 per water right. Therefore the fee for your application will be \$200.00, the department has already received \$50.00, so an additional **\$150.00** is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

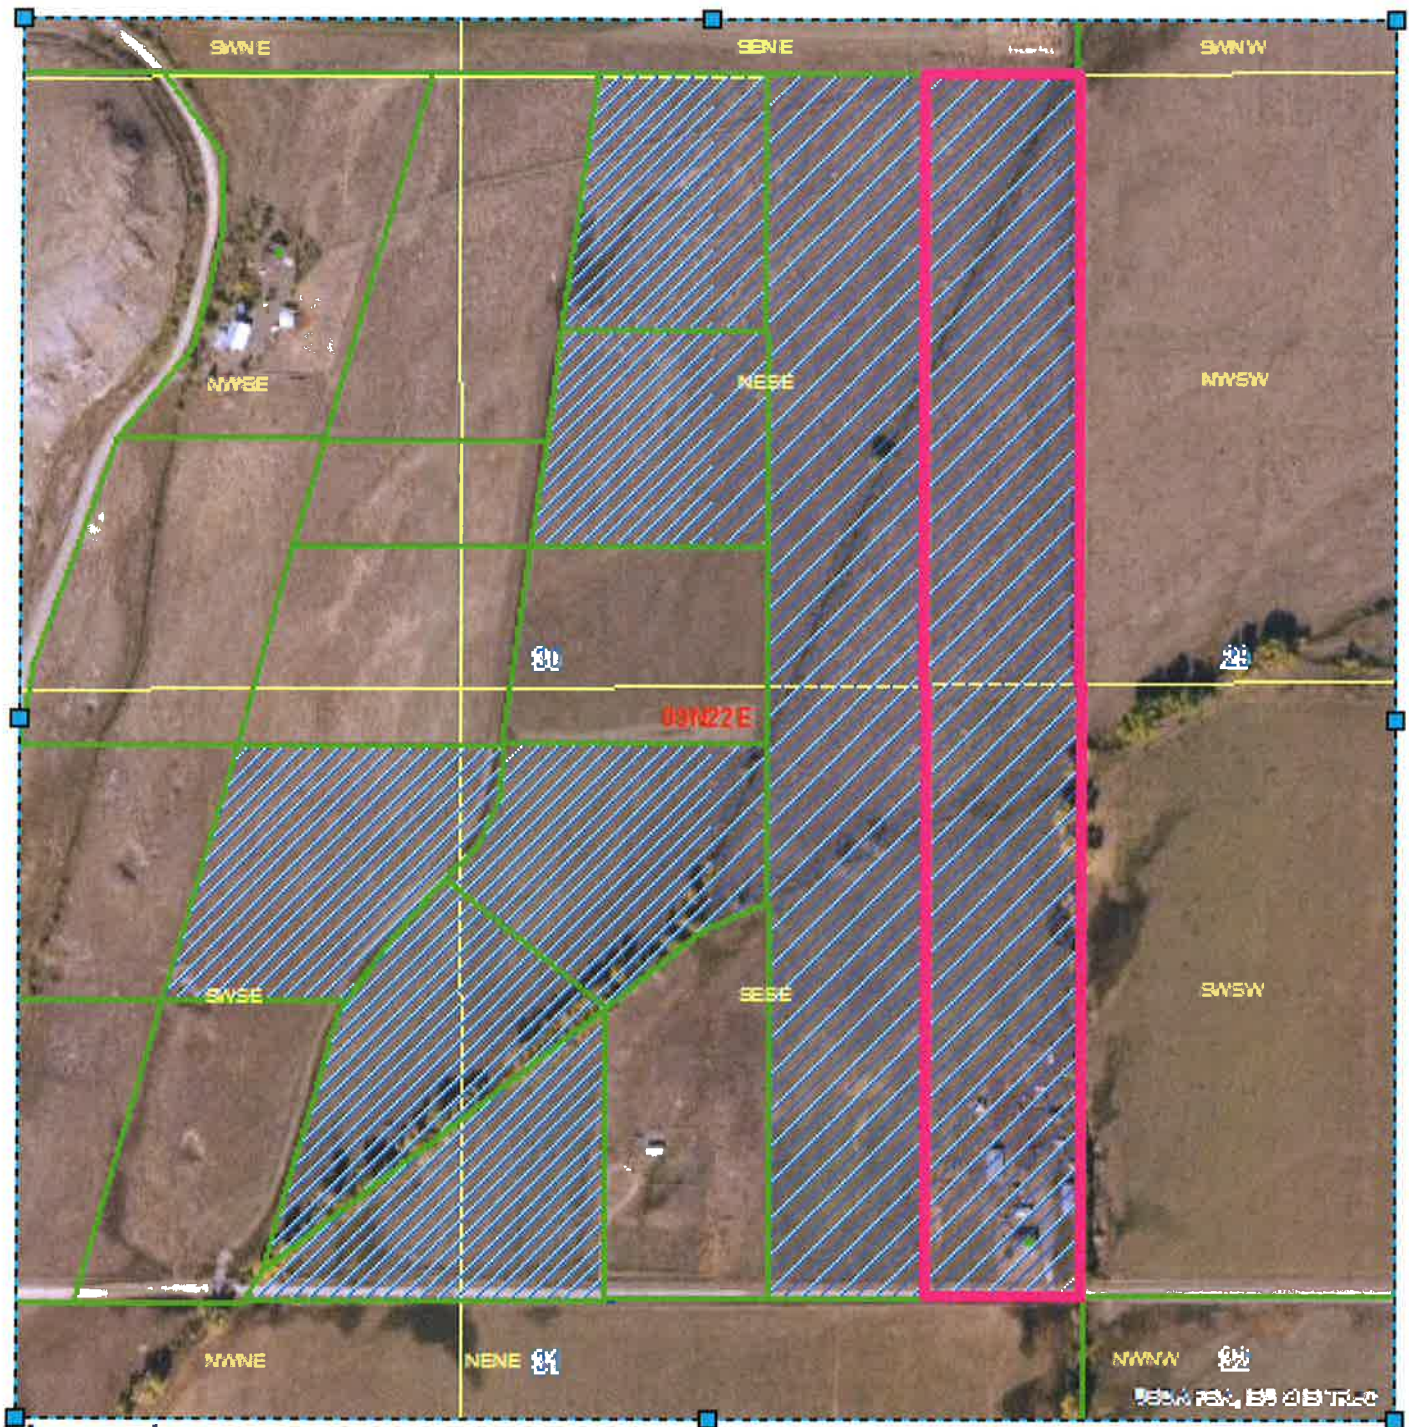

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
