PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 96-9639

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

MEMORANDUM

TO: Water Right Permit File 96-9639

FROM: Daniel A. Nelson

DATE: June 29, 2018

SUBJECT: Field Exam Needed

In review of the Google Earth images for this permit, it was discovered that there may be a second residence or shop on the parcel associated with this permit. A field exam should be done to ensure that the domestic use is properly identified and that the actual acres are accounted for. With the information associated with the permit, it is difficult to determine where the actual domestic use should be applied.
