**PROOF ACKNOWLEDGEMENT LETTER**

**RE: Permit No. 65-23540**

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

I am returning the Request for Extension of Time ("extension request") form you submitted by mistake. Please discard of this form. The \$50.00 filing fee paid with the extension request has been reapplied to the license examination fee for filing proof of beneficial use.

**Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at [www.idwr.idaho.gov](http://www.idwr.idaho.gov).**

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Re: Modification Needed to Receipt ID No. C105184

Dear Sascha,

Please modify this receipt under the comments field to read: Proof of Beneficial Use for permit #65-23540, and the Description of Beneficial Use/ License Exam Fee under PCA 56104. The Request for Extension of Time form was filed by mistake, and is being returned to the permit holder as unprocessed. The Proof of Beneficial Use form replaces the extension request form being returned.

*Thank You.*
