PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-17452

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
Technical Records Specialist

SUBJECT: In-house Field Exam for Water Right Permit 95-17452

Due to the heavily timbered area where this permit is located, we were unable to verify the stockwater use and the location of the springs from aerial photography. It would be best to visit the site and GPS the springs and the water trough.
