RE: Application transfer No 82316
Water Right 72-16935 Mark & Jody Wisner

Ms. Maline:

In regards to the above matter, the Water District does not object to the transfer of the referenced water right for the benefit of the Wisners. Said right is for .03 cfs to irrigate .5 acres with a 1879 priority date. This response is on the behalf of the district and its water master, Mr. David Philips.

Sincerely,

Stephen Bauchman
