Denise –Mr. Bauchman's comments must only be interpreted to mean that the Highline Canal has no objection to the new canal re-diversion. Mr. Bauchman has no authority to comment on behalf of the WD72A watermaster. The watermaster Mr. Bauchman names, David Philips, was duly elected but has NOT been appointed, as WD72A has not yet submitted 2018 meeting documents. Therefore, the watermaster cannot comment.

The 2017 watermaster, Craig Winstead, has resigned and there is presently no presiding watermaster in WD72A.

As watermaster of WD170 I have no objection to the approval of this transfer. The water right will be administered by WD72A and should have WD Flag = 72A.
