Re: Change in Water Right Ownership: 72-16633, 72-16635, 72-16637 (Split into 72-16637 and 72-16961), 72-16639 (Split into 72-16639 and 72-16962)

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of a portion of the above referenced water right(s) to you. The Department has modified its records based on the information received and has enclosed computer-generated reports for you. As we discussed, four water rights are appurtenant to your property. You elected to split off your portion of rights 72-16637 and 72-16639, and abandon your portion of rights 72-16633 and 72-16635.

Your portion of each water right(s) has a specified point of diversion, nature of use and place of use. If you plan to change the authorized point of diversion, nature of use, or place of use, including adding a new point of diversion, you must file an Application for Transfer of Water Right. If you do not plan to change any elements of your water right, then no further action is required at this time.

The portion of the water right retained by the original right holder retains the original water right number. The Department is sending the original right holder a copy of this letter and a computer-generated report showing the changes to the original water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Allison Inouye
Water Resource Agent

Mr. Holland,

I am processing the Notice of Change in Water Right Ownership that you filed with our office to split off the portion of water rights 72-16639 and 72-16637 that are appurtenant to your property (Lot 10 of Mountain Vista Ranch Subdivision). My review indicates that you are also entitled to a portion of water rights 72-16633 and 72-16635 which are also appurtenant to the subdivision.

I could process the change in ownership for your portion of all four water rights simultaneously if you submit the additional \$200 filing fee (\$100 per water right) to our office.

The mailing address for our office is:

IDWR Southern Region
650 Addison Ave W Ste 500
Twin Falls ID 83301-5858

Feel free to contact me with any questions.

Best,
Allison

Mr. Holland,

As we discussed via phone call today, water rights 72-16633, 72-16635, 72-16637, and 72-16639 are all appurtenant to your property (Lot 10 of Mountain Vista Ranch Subdivision). You submitted a Notice of Change in Water Right Ownership for your portion of rights 72-16637 and 72-16639 and we discussed two options regarding the other two rights: add them to your ownership change form and pay the additional \$200 fee, or abandon your portion of those rights which does not require an additional fee.

If you would like to proceed with the abandonment route, I have attached the forms for you. Please sign and have them notarized, and return them to our office. Or if you would rather add those two rights to your original filing, submit the additional \$200 and we can proceed in that route.

Feel free to contact our office with any questions.

Thanks,
Allison
