This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for a nonconsumptive use.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Western Region office at (208) 334-2190; or for a full description of the right(s), please see www.idwr.idaho.gov. RE: Applications for Permits in the Name of Harry L Bettis

Gentlemen:

Enclosed are two Applications for Permit for the existing Aikman Dam on the South Fork of Willow Creek. One application is for irrigation from storage and the other is for in-reservoir uses. A check in the amount of \$1,540 is included to cover the filing fees for both applications.

Please let me know if you have questions or need any additional information. Thank you for your consideration.

Yours truly,
