Re: *Application for Transfer.*

Dear Michael:

Enclosed for processing is an *Application for Transfer* for Water Right No. 35-8204 owned by K&S Properties, LLC and Water Right No. 35-7549A owned by Kim and Sue Ann Grover. This application proposes to rearrange the place of use for Water Right No. 35-8204 and to change the place of use and point of diversion for 51 acres of Water Right No. 35-7549A. Water Right No. 35-8204 and the 51-acre portion of Water Right No. 35-7549A will be combined to form a 97-acre place of use.

We have enclosed the necessary filing fee, map, and results of the ESPA Analysis. Modeling shows that there will be no negative impacts as a result of this proposed transfer. After this application has been assigned to an agent for processing, have them contact me and I will e-mail any shape files that are needed. If you have any questions or need any additional information, do not hesitate to contact me.

Best regards,

Luke H. Marchant
