RE: Assignment of Permit for Water Right Nos. 36-16828 and 36-16965
Assignment of Application for Transfer 78298

Dear Mr. and Mrs. Stone:

The department received notice that you no longer own the property to which Water Right Permit Nos. 36-16828 and 36-16965 are appurtenant. Since Permits for water rights are considered personal property, in order for the department to change ownership, the seller of a property must 'assign' their interest in the permits to the new owners. The title company was not aware of the different procedures at the time of closing, so the department is now requesting your help in making sure the most current owner is listed on the permits and application for transfer so they can move forward to resolution of the protested matters (transfer 78298 and permit 36-16828) and the licensing of permit 36-16965.

Enclosed you will find three forms that need your signatures. Two are assignments for permits 36-16828 and 36-16965. One is an assignment for protested transfer 78298. Please sign (both Larry and Nan) in front of a notary and return the three signed and notarized forms to me at the address shown above by **March 9, 2018**.

Please feel free to contact me or Jim Bitzenburg at the number shown above should you have any questions regarding this matter.

Sincerely,

Trish Fawcett
