Re: Lien Holder Consent to Transfer of Water Right 13-2269

To whom it may concern:

I recently filed an Application for Transfer of water right 13-2269 in the name of Bart Christensen and Cherie Christensen. Part 1, Section 5(c) of the application notes that the property is subject to a mortgage with Washington Federal. Enclosed is a letter from Washington Federal consenting to the transfer. As this letter is on Washington Federal letterhead, I understand this is sufficient to satisfy the line holder consent requirement.

Should you have any questions, please give me a call.

Sincerely,

T.J BUDGE
