Subject: Petition to Reconsider Preliminary Order 25-14425

LDS Church Recreational Property Pasa La Coma

Dear Mr. Keen:

On behalf of the Church of Jesus Christ of Latter-day Saints, we respectfully request a delay in issuing the final license for water right 25-14425 requiring semi-annual calibration of the rating curve for South Fork Sellers Creek.

The Church has been negotiating with the Idaho Department of Fish and Game (IDFG) concerning the measurements of flows in this stream and we wish to have additional time to conclude those negotiations and coordination satisfactorily to all parties.

Our hope is that the measurement condition can be removed from our water right and that we engage in a separate agreement with IDFG to cover the division of stream flow and measurement requirements to meet their needs for fish flows.

Your granting of a time extension is critical to concluding our work with IDFG.

Sincerely yours

Matt Davidson, P.E.

Agent for the LDS Church.
