RE: Notice of Change of Water Right Ownership for 35-8740 and 35-10586

Dear Mr. and Mrs. Carman:

The Department of Water Resources received a call from the previous owner of the property which water rights 35-8740 and 35-10586 are appurtenant. He notified us that he had sold the property with all appurtenances. After researching the water rights, we found that you may be the current owners. §42-248(1) Idaho Code states in pertinent part, "All persons owning or claiming ownership of a right to use the water of this state, shall provide notice to the department of water resources of any change in ownership of any part of the water right or of any change in the owner's mailing address, either of which occurs after June 30, 2000. Notice shall be provided within one hundred twenty (120) days of any change using forms acceptable to the director."

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right.

I have enclosed the form and instructions for your convenience which can also be found on our website at this location <https://idwr.idaho.gov/files/forms/notice-of-change-of-water-right-ownership.pdf>. Please note that number 7 on this form lists the required items which must be included with the form.

Thank you for your cooperation. If you have any questions regarding this matter, please contact me at 208-287-4910.

Sincerely,

A handwritten signature in blue ink that reads "Clay Webster".
